 - e. A team advancing to a Division II National Championship may not add a player from a team that has placed 1st through 4th in the Division I District Championship in the same grade division.
 - f. A team advancing to a Division II National Championship may not add a player from a team advancing to a Division II National Championship in the same grade division without the written permission of the Eligibility Committee.

- j. The AAU Boys' Basketball Eligibility Committee will not consider requests for transfer under rule H.2. c., f. and g. until after the completion of the District Championship.

V. Miscellaneous

A. National Championship Selection Procedure

1. National Championship proposals will be reviewed by members of the Boys' Basketball Executive Committee and approved by a vote of the Boys' Basketball National Council. No voting member may vote on sites involving his/her District.
2. If for any reason a National Championship Host defaults or is unable to fulfill its commitment, the National Boys' Basketball Executive Committee will determine the replacement site at its sole discretion.

B. Coaching Restriction - No person may be a coach for any team competing in an event for which he/she is the tournament director.

C. Event Approval - The Boys' Basketball Executive Committee will not approve Super Regional Championship competition between the dates of November 1st and March 15th for athletes in the 9th Grade Division through 12th Grade Divisions.

D. Ejections

1. Any coach ejected for fighting will be removed for the remainder of the tournament.
2. Any player recorded on the official score sheet as ejected for fighting will be prohibited from playing in the next scheduled game.
3. If a coach or player is ejected from a game, he/she will be placed on probation (unless ejected for fighting).
4. If a coach or player is ejected a second time, he/she will sit out that game and the next game.
5. If a coach or player is ejected a third time, he/she will be suspended from the tournament.

E. Host Team - Notwithstanding the qualification criteria, the local organizing committee that is host to a National Championship may select up to a maximum of 4 teams provided they meet all AAU requirements.

1. Host Team(s) may participate in the AAU District Championship, but are not required to participate.
2. The Host may select the team(s) as it wishes. It is not required to use any particular formula or criteria.

F. Tournament Format and Seeding

1. A pool play system will be used in the National Championships for all grade divisions. There will be four (4) teams per pool when possible. Top two teams from each pool will advance to a single elimination championship bracket, with consolation brackets. Those teams that do not advance to the championship bracket shall automatically advance to the National Classic bracket.

2. Tournament Draw - The actual placement of teams into pools for the National Championship tournament will be completed upon the receipt of all entries. Teams that have placed in the previous years' National Championship bracket shall be the first teams placed. The next teams placed shall be from District Seeding. All Districts have been seeded based on:
 - a. Previous results
 - b. A random draw at the annual meeting to place those Districts that did not earn seeding points. No two teams from the same District [or state when possible] will play in the same Pool. (It is impossible to keep teams from the same State or District from meeting one another in the first round of games of the single elimination or consolation bracket part of the National Championship.) Teams that advance from the same pool will be placed in opposite halves of the bracket so that they will not meet again in the championship bracket until the National Championship game. Schedule adjustments may be made in the event of team "no show's."

3. Seeding Policy
 - a. Seeding shall be by individual teams and AAU District. The first criteria for seeding shall be order of finish in the previous years' National Championship. For example, the 5th Grade Division I National Champion shall be the #1 seed in the next years' 6th Grade Division I National Championship, 2nd Place shall be the 2nd seed and so forth for all places awarded.
 - b. The host team shall be placed in all tournaments immediately following the teams placed based on the order of finish in the previous years' National Championship.
 - c. The next criteria for seeding shall be order of finish in the respective grade division for three (3) years when possible. Only teams advancing out of pool play to the championship round will receive points for seeding if they placed in the top sixteen (16) places. *Note* National Classic Championships does not count towards seeding
 - d. The placement of teams shall be according to the instructions above. Districts will be placed in order, with the highest total of points first and so on.
 - e. All Districts were drawn blind by the voting delegates at the National Convention in order to establish the order of placement in pools after the seeded teams are placed.

The order of the placement is as follows:

- Teams placed based on the results of last years' National Championship
- Host team
- District seeded teams in order
- Removal of seeded teams from placement list
- Removal of teams not participating from list
- Teams are advanced upward to fill vacated spots, including the host team.
- District gold medal team will be placed according to point total.
- The order of the draw list shall apply to gold medal teams. Silver teams are then placed, then bronze, then 4th, then 5th, etc. according to the draw.
- Pool winners and runners-up advance to championship bracket play. The 3rd, 4th, 5th place teams in each pool will play in the National Classic Championship.

The local host committee is not involved in the seeding or placement of teams into pools. Order of pool play and bracket schedule are predetermined and provided to the Local Host by the National Director of Competition

- G. District Qualifying Events** - Districts may choose from the following options to determine qualifiers for the National Championships:
1. One District Qualifying event:
 - a. Award an equal number of bids to Division I (DI), Division II (DII) and Division III (DIII) National Championship as called for by the AAU Boys' Basketball Handbook, including automatic bids; example; 12 teams in Grade Division District Championship = four (4) qualifying spots for Division I. Next four (4) qualify for Division II. Last four (4) qualify for Division III.
 2. District Qualifying events for Division I and Division II on separate weekends:
 - a. If the DII Tournament follows the DI Tournament, teams that do not place 1st through 4th may participate in the DII Qualifier. In this scenario, any team may choose to bypass the DI Qualifier and compete in the DII Qualifier.
 3. District Qualifying events for Division I and Division II on the same weekend:
 - a. If both DI and DII are on the same weekend, teams/athletes must choose either DI or DII, they may not compete in both. In this scenario, athletes may not be on the roster of a DI and DII team in the same grade division.
 4. District Qualifying event for Division III
 - a. If the DIII Tournament follows the DII Tournament, teams that do not place 1st through 4th in the DII may participate in the DIII Qualifier. In this scenario, any team may choose to bypass the DI or DII Qualifier and compete in the DIII Qualifier.
 - b. A team that qualified Division I in the District Championship may not participate in the Division III District Championship.
 5. Total of all teams participating in the DI and DII count towards the team totals for advancement to Nationals.

H. Sport Agents, Agencies and Representatives

Any person who is a registered sports agent or an agent or employee of a sports agent or agency, or any person who received compensation or consideration of any kind directly or indirectly from a sports agent or agency is prohibited from involvement in the AAU throughout the entire fiscal year (September 1 through August 31) during which any such compensation or consideration is received except as specifically set out herein.

Violation of this policy may result in the disqualification of the team and/or athlete (or both), as well as other possible penalties as set out in this Code.

Any such agency, agent, employee or representative may apply in writing to the AAU for an exemption concerning this policy. If, in the sole discretion of the AAU, such person's involvement either with the AAU and/or the sports agency is found to be inconsequential, such exemption may be granted. Such exemption, if any, may only be granted by the National Board of Review or a majority of the National Officers. In order to be valid (such exemption) must be in writing and will be subject to review either annually or at any time based upon a change of circumstance related to such persons' involvement.

Appendix to the Rule Book

Documents in the Appendix are supplementary materials published for the convenience of members.

A. **AAU Code Book**

The following excerpts from the AAU Code are provided as a convenience to AAU members. For precise language refer to: <http://aausports.org/AAUInfo/CodeBook/CompleteCodebook.aspx>.

B. **AAU Boys' Basketball Policies**

1. **Sportsmanship**

It is the obligation of coaches, players, administrators, volunteers, and other representatives of the AAU to practice the highest principles of sportsmanship and to observe the ethics of competition. Good sportsmanship is defined as qualities of behavior, which are characterized by courtesy and genuine concern for others. The display of good sportsmanship is a statement of the individual's understanding and commitment to fair play, ethical behavior and integrity.

2. **High School Athletics**

Participation in High School Basketball is important to the social and athletic development of the AAU athlete. The AAU recognizes the influential role played by the athlete's high school coach and team. Accordingly, the AAU pledges its support of high school athletics. In keeping with that support, the following policies are appropriate:

- a) The AAU Boys' Basketball Committee will not approve Super Regional Championship competition for athletes 9th grade and older between the dates of November 1st and March 15th.
- b) AAU Clubs shall not allow any athlete who is a member of a high school interscholastic basketball team to participate in AAU sanctioned tryouts, practices, or games, from the first day listed for high school basketball practice on the High School Federation calendar until the last game of the regular season has been played.
- c) Coaches who are AAU members and school coaches should maintain open communications for the benefit of the athlete.
- d) It is inappropriate for an AAU member to solicit or recruit a player to enroll in any particular secondary school.

3. **Athletics and Education**

Athletic competition is good unto itself, and opportunities for participation need not be restricted to individuals representing academic or scholastic institutions. However, the AAU recognizes that athletics can be a powerful tool for shaping the educational development of young people, and for the enhancement of educational opportunities for its participants. AAU organizations should consider the academic well-being of its athletes, and ensure that participation in AAU activities does not adversely affect their academic progress. The AAU Club should cooperate with the athlete and his parents to strike an appropriate balance among academic, social and athletic activities.

4. **Coaches' Ethics**

The coach must be aware that he can be either a positive or a negative influence upon the development of the athlete. In all of his personal contacts with athletes, officials, parents, the media, and the public, the coach shall strive to set an example of the highest ethical and moral conduct. In keeping with that goal, the following ethical guidelines should be observed by all AAU coaches:

- a) The coach shall never place the value of winning above the value of instilling the highest desirable ideals of character.
- b) The coach must always consider the personal safety of the athlete.
- c) The coach shall be thoroughly acquainted with the rules and regulations of competition, and shall be responsible for their interpretation to team members. The coach shall not try to seek an advantage by circumventing the spirit or letter of the rules
- d) Game officials shall have the respect and support of the coach. The coach shall not indulge in conduct which will incite the players or spectators against the officials. Public criticism of the officials or players is unethical.
- e) The coach should respect his opponents, display gracious behavior during competition and require his players to conduct themselves in similar fashion. Before and after the contest, rival coaches should exchange friendly greetings to set the correct tone for the event
- f) Coaches shall actively use their influence to enhance sportsmanship by spectators.
- g) The coach shall take an active role in the prevention of drug, alcohol and tobacco abuse, and shall, under no circumstances authorize their use.
- h) The coach must recognize the importance of the athlete's academic development and promote the proper balance between athletic and academic activities.

C. National Championship Program Policies

1. Game Time: The game time will also be the forfeit time. No grace period will be allowed.
2. Officials: No official may work more than four (4) games in one (1) day or more than two (2) games in succession, unless approved by a commissioner. No official shall work any game involving teams from the City/County in which he/she resides (Division I and II National Championship pool and bracket play, does not include National Classic).
3. Hotel/Motel Policy: Upon approval by the National Sport Chair, a National Championship Host may designate certain hotel/motel properties not to be used by teams participating in a National Championship Event. The exact name and address of each property must be provided to the National Sport Chair. The AAU Boys' Basketball Committee may reject entries of teams who reserve rooms in these designated properties. Once the National Championship Event begins, team(s) can be required to vacate the designated property in order to continue to participate in the event.

D. Definitions

1. **Practice** - For the purpose of AAU sanctioning, practice is organized and/or regularly scheduled sessions supervised at all times by a registered AAU non-athlete and conducted for the purpose of preparing, training, instructing and conditioning only AAU registered athletes for AAU competitions. Tryouts and scrimmages are included as long as they meet all the requirements of the above definition.
2. **Supervision** - Supervision requires that an AAU registered non-athlete be physically present at all times at the practice premise or site during each practice session.
3. **Scrimmage** - A practice of an AAU club or with AAU athletes or another club. A scrimmage does not qualify as a practice if an admission fee is charged, or the officials are paid. Scrimmage results must not affect the team's/club's standings or rankings.
4. **Qualifying Team** - A team which has met the requirements to compete in the National Championship
5. **Advancing Team** - A team which is competing (participating) in the National Championship
6. **Conditional Bid** – An automatic or Super Regional Championship bid is conditional until validated by participation at the District Championship.

E. Tiebreaker Formula Examples

Team A	2 Wins	1 Loss
Team B	2 Wins	1 Loss
Team C	2 Wins	1 Loss
Team D	0 Wins	3 Losses

Example #1: To break the tie to determine the placement, first look at the game results of the teams involved in the tie and total the point differentials.

Results	Differential	Total	Placement
Team A			
A vs. B (A-69 B-75)	-6	+9	1 st Place
A vs. C (A-85 C-69)	+15		

Results	Differential	Total	Placement
Team B			
B vs. A (B-75 A-69)	+6	-4	2 nd Place
B vs. C (B-63 C-73)	-10		

Results	Differential	Total	Placement
Team C			
C vs. A (C-69 A-85)	-15	-5	3 rd Place
C vs. B (C-73 B-63)	+10		

Example #2: When teams have the same point differential total after the first calculation, add the point differentials of the teams not involved in the tie.

Results	Differential	Total	Placement
Team A			
A vs. B (A-68 B-71)	-3	+0	Tie
A vs. C (A-59 C-56)	+3		

Results	Differential	Total	Placement
Team B			
B vs. A (B-71 A-68)	+3	+0	Tie
B vs. C (B-63 C-66)	-3		

Results	Differential	Total	Placement
Team C			
C vs. A (C-56 A-59)	-3	+0	Tie
C vs. B (C-66 B-63)	+3		

Recalculated using Team D scores:

Results	Differential	Total	Placement
Team A			
A vs. B (A-68 B-71)	-3	+5	3 rd Place
A vs. C (A-59 C-56)	+3		
A vs. D (A-65 D-60)	+5		

Results	Differential	Total	Placement
Team B			
B vs. A (B-71 A-68)	+3	+12	1 st place
B vs. C (B-63 C-66)	-3		
B vs. D (B-71 D-59)	+12		

Results	Differential	Total	Placement
Team C			
C vs. A (C-56 A-59)	-3	+8	2 nd place
C vs. B (C-66 B-63)	+3		
C vs. D (C-64 D-56)	+8
