

Austin Comets Team Picture Day

We believe that taking quality sports portraits inspire team spirit and personal pride. We know this is important to Comets athletes, so we've developed a process and tips to take advantage of during the photo shoot time.

- **Arrive 15 minutes early** to your scheduled time with order form complete and payment in hand. (Checks, Cash, CC) Tardy arrivals will compromise our ability to service subsequent teams on time. As picture day approaches, we'll provide an order envelope in plenty of time for you to consider your package options.
- **Check the weather.** In case of cold, choose clothing that is easily removed, fitted outside of the uniforms.
- All athletes are expected to be photographed with jersey tops **tucked in**. Please have this done before you are in line for photos. Please wear your full game uniform as issued by the program. If you are not dress appropriately you will be asked to change or sent home.
- Hats (For Coaches only) Please try to **re-size hats to exactly the right size** before arrival to photos.
- Team Photos. Try to **avoid attracting attention to yourself by yelling to your kids** while the team pictures are taken. Too often the kids will 'look away" while the photographers are taking the team shot when this happens. We want all the kids to be looking at the photographer as much as possible.
- Cameras. **Please no cameras** within 20 feet of the photo area. Athletes will often get confused as to who they need to look at while the photographer is working. Also, their camera flashes will misfire as external flashes firing simultaneously can activate them.

ID Pictures shall also be taken of athletes and coaching staff to comply with the affiliated governing body guidelines.

Picture Day is scheduled for _____ at _____
